RETAIL GEMMOLOGIST

JOB-LINKED PROGRAMME

START A CAREER AS A RETAIL GEMMOLOGIST

with the country's leading jewellery retail chain*.

BE PART OF INDIA'S
US$85 BILLION
(APPROX. RS. 7,31,255 CRORE)
GEMS & JEWELLERY INDUSTRY —
GROWING AT 10% ANNUALLY.

FRESH GRADUATES — YOUR OPPORTUNITY TO BUILD A SPECIALIST CAREER.

WHAT DOES A RETAIL GEMMOLOGIST DO?

A Retail Gemmologist is a trained jewellery specialist. They understand diamonds and gemstones, assess diamond quality and help customers make informed choices. It's a customer-facing role based in a jewellery retail store, combining product knowledge, communication and premium service.

Develop diamond expertise.
Learn to guide customers.
Build skills for a professional career in jewellery retail.

FREE
5-WEEK TRAINING
Classroom training in Powai, Mumbai

Programme starts
16 November 2026

LEARN SKILLS FOR THE ROLE

- Diamond fundamentals and the 4Cs
- Diamond grading and screening instruments
- Treatments, lab-grown diamonds and simulants
- Gemstones, customer communication and premium retail service

COMPLETE THE PROGRAMME + PASS CERTIFICATION + PASS THE FINAL INTERVIEW = PLACEMENT IN YOUR DESIGNATED SOURCING CITY.

Your designated city will be confirmed before you accept a training place.
Placement is conditional on meeting all three requirements; a specific store is not guaranteed.

TRAIN FREE. BUILD SKILLS. APPLY IN YOUR CITY.

WHO CAN APPLY?

- Fresh graduates are encouraged to apply
- Freshers must be graduates and meet the approved diamond/gemmology qualification criteria
- A relevant diploma or degree in diamonds, gemmology or a related field from a recognised institution is required
- Relevant gemmology, laboratory, manufacturing or jewellery retail experience is preferred
- English and relevant regional-language communication, basic maths and availability for the full five weeks are required.

NO TRAINING FEES

Fruit, lunch and tea/coffee are provided on training days.
Candidates pay their own travel to/from Mumbai and accommodation.
